

Voluntary Dental PPO

Good news about dental benefits for employees of
Weiser Security Services, Inc.

Dental Plan Choice

Our company understands that today's employees demand choice. That's why we offer a voluntary dental program that allows you to choose between a basic and deluxe plan. The Hi-Lo Choice provides you with the freedom to choose a dental plan that best fits your individual needs. Compare the cost and benefits of each plan, then determine which plan will work best for you and your family.

Plan Features:

- Freedom to choose any dentist, including specialists
- PPO options available
- 12-month rate guarantee

How the Plan Works

This dental plan provides a variety of benefits and allows you and your family to use any dentist or specialist you choose. Benefits are paid after any applicable deductible has been met, up to the annual maximum. Claim payments may be made to you or your dentist, whichever you prefer.

You may find a DHA provider by visiting the Assurant Employee Benefits web site at www.assurantemployeebenefits.com – Select "For Members" – "Find a dentist" – "Dental Health Alliance". Or call customer service at 800.442.7742.

The Choice Is Yours

Freedom Basic provides coverage for some of the more common dental procedures. Freedom Preferred also offers valuable protection, and provides increased benefits over the Freedom Basic plan.

IMPORTANT:

Coverage for eligible employees will begin May 1, 2013. You must sign up by the Initial Enrollment Deadline, or forfeit the opportunity until the next plan anniversary date.

This dental program offers a PPO (Preferred Provider Organization) through Dental Health Alliance (DHA®) that provides a variety of cost saving features. Although you may visit any dentist you choose, you will receive maximum savings if you visit a DHA® provider. The allowable amount for non-participating dentists is based on the usual and customary. Patients are responsible for fees in excess of usual and customary.

Plan frequencies, limitations and waiting periods apply.
